

In Memory of
Harry H. Mitchell
Tallahassee Quarterback Club's
Co-Founder & 1st President

DECEMBER 30, 1919 - July 22, 2005

Harry Hubbard Mitchell lived a life of great accomplishment. He was a leader with great integrity. Harry co-founded the Tallahassee Quarterback Club and was the first President; but his affiliation with football started long before this. He was born December 30, 1919 and moved to Tallahassee in 1927. He attended Leon High where he was a quarterback from the 1937 championship team. In 1979 Leon inducted Harry into the Hall of Fame. During his time at Presbyterian College, he was selected as a member of the All-American Football Team. He acquired his nickname "Rock" throughout his time at Presbyterian College. He applied the leadership skills he learned through football to the rest of his life. He was a member of the military, opened his own law firm, and was continually involved with his community. The Tallahassee Quarterback Club honors Mr. Mitchell for all he did for the organization. Harry was a great man and anyone who had the privilege of knowing him is a better person.
